It represents a way of life.

That's why you should know more about the Family Motor Coach Association

Membership in FMCA brings with it a wealth of benefits that are of value to the motorhome traveler. FMCA's benefit program is continually growing to meet the needs of its membership. Additional sign-up and fees may be required for some benefits. For complete benefit details, please contact the membership department at 1-800-543-3622 or www.fmca.com. Some of the member benefits are:

Information Exchange

FREE Membership Directory

The FMCA Membership Directory, combined with the January issue of *Family Motor Coaching* magazine, is a complete guide to the association. This directory is one of the most useful and popular benefits of membership. It includes a roster of FMCA members designed to help members identify each other in their travels, as well as a listing of members volunteering emergency assistance to other members who experience trouble on the road, a directory of sanitary disposals, and a variety of other valuable information.

Educational Programs

FMCA members have the opportunity to participate in important RV-related education programs at the international

conventions and some area rallies. This year's curriculum includes: the RV Safe Driving Course, the Coach Weight and Tire Safety program, the Fire and Life Safety program, and CPR training.

www.fmca.com

FMCA members receive full access to the association's Web site – www.FMCA.com – a useful source of online information about FMCA member benefits, upcoming international conventions and rallies, *Family Motor Coaching* magazine, FMCA chapters, and links to commercial members.
